

R

THE TWENTY-SIXTH ANNUAL MEETING
of
THE BIOLOGICAL TRANSPORT GROUP
IN A JOINT MEETING WITH
THE MIDWEST SALT & WATER CLUB

Lake Cumberland State Resort Park
Jamestown, Kentucky
June 19-22, 1988

800-325-1709

Join us in informal scientific sessions devoted to presentation of original data or work in progress related to any aspect of biological transport or salt and water balance. Freewheeling discussion, no abstracts or publications involved.

Sessions are held mornings and evenings.
Afternoons are free
